Important information:

The regulatory and fiscal conditions relating to DEBENTURE BONDS, HYPOTHETICAL INVESTOR, and/or REFERENCE ASSET may be subject to changes that have adverse effects on the amounts payable to DEBENTURE BOND HOLDERS and may lead to the ISSUER repaying DEBENTURE BONDS prematurely or making adjustments with respect to one or more components or values of the REFERENCE ASSET and/or the amounts payable pursuant to these TERMS OF ISSUE and/or some other value and/or amount. The DEBENTURE BOND HOLDERS should be aware that

- (i) it is likely that neither the HYPOTHETICAL INVESTOR nor another person (particularly not the ISSUER) will exercise any rights (including voting rights) included with the REFERENCE ASSET or act in the interest of HYPOTHETICAL INVESTORS or any other person (with the exception of rights received from the REFERENCE ASSET or other payments associated with the redemption of the REFERENCE ASSET or a dissolution of the REFERENCE ASSET);
- (ii) interest on and repayment of the DEBENTURE BONDS are subject to the risk that with regard to the REFERENCE ASSET a CREDIT EVENT (as defined below) might occur and that the rate of return and / or repayment of the DEBENTURE BONDS might be consequently reduced or that even no rate of return and / or repayment might happen; and
- (iii) that DEBENTURE BOND Holders, in the event of the occurrence of a CREDIT EVENT TO THE REFERENCE ASSET, have no direct recourse, in respect of any losses, against the REFERENCE ASSET and do not necessarily benefit, after entering a CREDIT EVENT, of any positive developments regarding the REFERENCE ASSET so that the investment in the DEBENTURE BONDS may be associated with a higher risk than a direct investment in the REFERENCE ASSET (as a party).
- (iv) in the absence of suitable liquidity of the REFERENCE ASSET, the amount of the payments owed by the ISSUER according to the TERMS OF ISSUE below is primarily dependent upon the degree to which the ADMINISTRATION AND ACCOUNTING AGENT is able to secure offers from market participants that can be considered POTENTIAL BUYERS of the REFERENCE ASSET in the secondary market, and that they may thus completely lose the capital they invested under these circumstances; and
- (v) the price at which the DEBENTURE BONDS may be sold, if any, may be affected, on the one hand, by the general value of the REFERENCE ASSET and the general credit standing of the ISSUER and by the likelihood of occurrence of the risks applicable to the REFERENCE ASSETS and the ISSUER, on the other hand, also by the general market environment, interest rate fluctuations, the residual maturity of the DEBENTURE BONDS, exchange rates and inflation rates, whereby individual factors can reinforce each other or even reduce; and
- (vi) payments from the REFERENCE ASSET are not guaranteed by either party and depend on various factors upon which the ISSUER has no influence (e.g. the economic success of the REFERENCE ASSET) and that, in the absence of any secondary market on which the REFERENCE ASSET may be traded, the amount of payments owed by the ISSUER under the terms of the following terms of issue is primarily dependent on the extent to which the REFERENCE ASSET is able to meet its obligations, that they are owed, and that they may therefore lose all of their capital.

An acquisition of the DEBENTURE BONDS is only suitable for persons who have carefully examined the ASSET DOCUMENTATION and are able to assess the risks associated with the REFERENCE ASSET (including risks resulting from the structure of the REFERENCE ASSET, as well as the risks of its fiscal and regulatory classification) based on their knowledge and experience and are able to bear any losses up to a complete loss of their investment. The purchase of the DEBENTURE BONDS is not suitable for private customers within the meaning of the EU Financial Markets Directive (EU Directive 2004/39 / EC).

After the maturity date or the early maturity date, no further interest payments will be made. In this context, the following terms have the following meanings in capital letters:

“Interest Payment Date” is every February 24th of each calendar year and the Maturity Date is the last Interest Payment Date. The first Interest Payment Date will be the 24th of February 2022. If an Interest Payment Date is not a Bank Working Day and falls on the last two days of a month, the Interest Payment Date will be established at the last Bank Working Day of the month (payment of any reduced interest will not be considered by such deferral).

“CALCULATION PERIOD” is each period from the ISSUE DATE (inclusive) and up to the first INTEREST PAYMENT DATE (exclusive), and thereafter from each INTEREST PAYMENT DATE (inclusive) up to the subsequent INTEREST PAYMENT DATE (exclusive). The last period is from the last INTEREST PAYMENT DATE (inclusive) till the MATURITY DATE.

“INTEREST DETERMINATION DATE” is always the 15th of February of each calendar year. The first INTEREST DETERMINATION DATE will be the 15th of February 2022.

In the event of a MARKET DISTURBANCE (paragraph 7), the INTEREST DETERMINATION DATE shifts, as does the corresponding associated INTEREST PAYMENT DATE, without the ISSUER being required to pay additional interest or other amounts to DEBENTURE BOND HOLDERS.

- 5.2 The ADMINISTRATION AND ACCOUNTING AGENT will calculate the AMOUNT OF INTEREST to be paid on a DEBENTURE BOND on the relevant INTEREST PAYMENT DATE, in each case calculated on the immediately preceding INTEREST DETERMINATION DATE in accordance with the following formula and in the SPECIFIED CURRENCY:

$$IA = (CC - LR) / DSA$$

where:

“IA” is the current INTEREST AMOUNT;

“CC” is the CASH COMPONENT;

“LR” is the LIQUIDITY RESERVE;

“DSA” is the amount of outstanding DEBENTURE BONDS on the respective INTEREST DETERMINATION DATE.

- 5.3 The ADMINISTRATION AND ACCOUNTING AGENT will arrange for the relevant Interest Amount to be distributed to the DEBENTURE BOND HOLDERS and the ISSUER by making an announcement in accordance with paragraph 14. All certificates, communications, reports, assessments, calculations, quotes and decisions that are made, issued, gathered or obtained by the ADMINISTRATION AND ACCOUNTING AGENT for the purposes stipulated here in paragraph 5 are (unless any obvious error is apparent) binding for the ISSUER, the PAYING AGENT and the DEBENTURE BOND HOLDERS.

6 MATURITY, REDEMPTION

- 6.1 The term of the DEBENTURE BONDS shall cease on the MATURITY DATE subject to extraordinary termination by the DEBENTURE BOND HOLDERS or the ISSUER.

- 6.2 Unless previously partially or completely redeemed, the ISSUER pays the REDEMPTION AMOUNT to each DEBENTURE BOND HOLDERS for each DEBENTURE BOND on the MATURITY DATE in accordance with these TERMS OF ISSUE, unless there is the occurrence of a MARKET DISTURBANCE. The ADMINISTRATION AND ACCOUNTING AGENT will calculate the REDEMPTION AMOUNT to be paid (the **“REDEMPTION AMOUNT”**) on a DEBENTURE BOND on the FINAL VALUATION DAY or immediately afterwards in accordance with the following formula and in the SPECIFIED CURRENCY:

$$RA = (RC - CC) / DSA$$

where:

“**RA**” is the REDEMPTION AMOUNT;

“**RC**” is the REPAYMENT COMPONENT;

“**CC**” is the CASH COMPONENT;

“**DSA**” is the amount of outstanding DEBENTURE BONDS on the Final Valuation DAY.

“**FINAL VALUATION DAY**” is the 10th Bank Working Day before the MATURITY DATE. In the event of a MARKET DISTURBANCE (paragraph 7), the FINAL VALUATION DAY shifts, as does the corresponding MATURITY DATE, without the ISSUER being required to pay additional interest or other amounts to DEBENTURE BOND HOLDERS.

The ADMINISTRATION AND ACCOUNTING AGENT will arrange for the REDEMPTION AMOUNT to be distributed to the DEBENTURE BOND HOLDERS and the ISSUER by making an announcement in accordance with paragraph 14. All certificates, communications, reports, assessments, calculations, quotes and decisions that are made, issued, gathered or obtained by the ADMINISTRATION AND ACCOUNTING AGENT for the purposes stipulated here in paragraph 6 are (unless any obvious error is apparent) binding for the ISSUER, the PAYING AGENT and the DEBENTURE BOND HOLDERS.

7 MARKET DISTURBANCES

7.1 If the ADMINISTRATION AND ACCOUNTING AGENT determines that a MARKET DISTURBANCE occurred on a VALUATION DAY, subject to paragraph 7.3, the VALUATION DAY is the next DESIGNATED REFERENCE ASSET VALUATION DAY where the ADMINISTRATION AND ACCOUNTING AGENT determines that no MARKET DISTURBANCE persists. In this context, the following are defined as:

“**CASH COMPONENT VALUATION DAY**”, with regard to CASH COMPONENTS, is the BANK WORKING DAY on which the assessment and transferability by the HYPOTHETICAL INVESTOR are possible.

“**DESIGNATED REFERENCE ASSET VALUATION DAY**” is (i) every BANK WORKING DAY with regard to the CASH COMPONENT and (ii) with regard to the REFERENCE ASSET a day in accordance with the ASSET DOCUMENTATION of the REFERENCE ASSET and (iii) with regard to the INVESTMENT COMPONENT VALUATION DAY.

“**INVESTMENT COMPONENT VALUATION DAY**”, with regard to the INVESTMENT COMPONENTS, is the BANK WORKING DAY on which the assessment and transferability by the HYPOTHETICAL INVESTOR are possible.

“**ASSET VALUATION DAY**”, with regard to the REFERENCE ASSET, is a day on which the HYPOTHETICAL INVESTOR can receive and transfer payments from the REFERENCE ASSET and on which no credit event occurs.

“**MARKET DISTURBANCE**” is the occurrence of a VALUATION DISTURBANCE, with regard to the FINAL VALUATION DAY and the EARLY VALUATION DAY.

“**REFERENCE ASSET VALUATION DISTURBANCE**” refers to a circumstance in which a DESIGNATED REFERENCE ASSET VALUATION DAY for the CASH COMPONENT and/or the REFERENCE ASSET is not a REFERENCE ASSET VALUATION DAY or this REFERENCE ASSET VALUATION DAY is continuously postponed.

“**REFERENCE ASSET VALUATION DAY**” is every day that is (i) a CASH COMPONENT VALUATION DAY (ii) a ASSET VALUATION DAY and (iii) an INVESTMENT COMPONENT VALUATION DAY.

7.2 The ADMINISTRATION AND ACCOUNTING AGENT will endeavour to notify the DEBENTURE BOND HOLDERS immediately that a MARKET DISTURBANCE has occurred in accordance with paragraph 14. However, there is no obligation to provide notification.

- 7.3 If the FINAL VALUATION DAY or EARLY VALUATION DAY has been postponed for more than 30 days under the provisions of this paragraph and a MARKET DISTURBANCE persists as determined by the ADMINISTRATION AND ACCOUNTING AGENCY on the immediately subsequent BANK WORKING DAY, this day (the existence of the MARKET DISTURBANCE notwithstanding) counts as the relevant VALUATION DAY and the ADMINISTRATION AND ACCOUNTING AGENT will determine the REDEMPTION AMOUNT at its own reasonable discretion and taking up to three previously obtained purchase offers from POTENTIAL BUYERS of the REFERENCE ASSET into consideration. The ADMINISTRATION AND ACCOUNTING AGENT will fix the REDEMPTION AMOUNT at the highest of the purchase offers received in this manner, which applies to the REFERENCE ASSET. If the only purchase offers available to the ADMINISTRATION AND ACCOUNTING AGENT are those that correspond to less than the REFERENCE ASSET, the ADMINISTRATION AND ACCOUNTING AGENT will take this and the purchase offers obtained into proportional consideration at their own reasonable discretion. In determining the REDEMPTION AMOUNT, the ADMINISTRATION AND ACCOUNTING AGENT may also take into consideration all fees, costs, taxes and expenses incurred in relation with the redemption of REFERENCE ASSET by the HYPOTHETICAL INVESTOR. If no offers are submitted by POTENTIAL BUYERS or a sale and/or transfer of the REFERENCE ASSET to a POTENTIAL BUYER is prohibited or excluded, the REDEMPTION AMOUNT is zero. In this context, "POTENTIAL BUYER" is any market participant considered under the ADMINISTRATION AND ACCOUNTING AGENT'S reasonable discretion as a purchaser of the REFERENCE ASSET in the secondary market because it can be approved as a lender of the REFERENCE ASSET in accordance with the ASSET DOCUMENTS.
- 7.4 In the event of a MARKET DISTURBANCE, the maturity of the payments to be made by the ISSUER corresponding to the DEBENTURE BONDS is postponed until the ADMINISTRATION AND ACCOUNTING AGENT has gathered the necessary information pursuant to the above provisions. Additional interest or other payments are not owed as a result of this postponement.

8 ADJUSTMENTS

- 8.1 If, in the opinion of the ADMINISTRATION AND ACCOUNTING AGENT, POTENTIAL GROUNDS FOR ADJUSTMENT arise with regard to the REFERENCE ASSET at any time during the term of the DEBENTURE BONDS that, at the ADMINISTRATION AND ACCOUNTING AGENT'S reasonable discretion, has a significant effect on the value of REFERENCE ASSET (weakening or strengthening the value) or on the calculation of the INTEREST AMOUNT, the REDEMPTION AMOUNT, the EARLY REDEMPTION AMOUNT or another amount payable for the DEBENTURE BONDS, the ADMINISTRATION AND ACCOUNTING AGENT is entitled, but not required (the provisions in paragraph 16.2 notwithstanding)
- (a) to undertake one or more appropriate adjustment(s) regarding the calculation of the INTEREST AMOUNT, the REDEMPTION AMOUNT, the EARLY REDEMPTION AMOUNT or another amount payable for the DEBENTURE BONDS, or all other requirements necessary for these calculations and/or to accommodate weakening or strengthening effects they deem appropriate to provide for POTENTIAL GROUNDS FOR ADJUSTMENT; and
 - (b) to determine the cut-off date(s) for the relevant adjustment(s).

In the event of a necessary adjustment, the ADMINISTRATION AND ACCOUNTING AGENT will undertake all reasonable efforts to ensure that the economic position of DEBENTURE BOND HOLDERS is altered as little as possible. The ADMINISTRATION AND ACCOUNTING AGENT will take the time until maturity of the DEBENTURE BONDS and the latest available net asset value for the REFERENCE ASSET into account when making an adjustment.

- 8.2 "POTENTIAL GROUNDS FOR ADJUSTMENT" with regard to the REFERENCE ASSET, they refer to the occurrence of one of the following:

- (f) an increase in hedging costs, this means that the ISSUER, or a third party with which the ISSUER has entered into a hedging transaction with respect to their obligations under the DEBENTURE BONDS, must pay a significantly higher amount in taxes, fees, costs or expenses compared to the prevailing rates on the ISSUE DATE (with the exception of brokerage fees) in order to
 - (i) undertake, purchase, renew, exchange, maintain, dissolve or sell a transaction or an asset that it considers necessary in order to hedge the price risk with regard to the DEBENTURE BONDS;
 - (ii) realise, obtain or transfer the value of such a transaction or asset
 whereby a significantly higher amount is not, solely, resulting from a deterioration in a counterparty's creditworthiness, is not considered as an increase in hedging costs;
- (g) any other exceptional COMPANY event, i.e.
 - (i) a ban or restriction on the sale and/or transfer of the ASSET to a POTENTIAL BUYER for any reason whatsoever;
 - (ii) payments that are inconsistent with the ASSET's normal payment schedule, as determined by the ADMINISTRATION AND ACCOUNTING AGENT; or
- (h) any other event that has the effect of diluting or increasing the theoretical value of the REFERENCE ASSET.

9 CALCULATIONS; MONETARY PAYMENTS

- 9.1 The amounts payable on the DEBENTURE BONDS are calculated by the ADMINISTRATION AND ACCOUNTING AGENT and are announced in accordance with paragraph 14. Calculations are (unless there is any obvious error) final and binding for DEBENTURE BOND HOLDERS.
- 9.2 In every respect, all payments made by the ISSUER are subject to the applicable laws, provisions and procedures of the place of payment. The ISSUER assumes no liability in the event that it should not be in a position to carry out the payments owed under the DEBENTURE BONDS on account of these laws, provisions and procedures.
- 9.3 The ISSUER will initiate a payment for the accounts of DEBENTURE BOND HOLDERS for the amounts payable to the CLEARING HOUSE, pursuant to these TERMS OF ISSUE, via the CLEARING HOUSE'S PAYING AGENT. Upon payment of the amounts to the CLEARING HOUSE, the ISSUER is released from their payment obligations under the TERMS OF ISSUE.
- 9.4 All taxes, fees or other charges incurred in connection with monetary payments are to be borne and paid by the DEBENTURE BOND HOLDERS. The ISSUER and the PAYING AGENT are entitled to withhold any taxes, fees or charges that are to be paid by the DEBENTURE BOND HOLDERS from these monetary payments in accordance with the previous sentence.

- 9.5 Payments due on DEBENTURE BONDS are to be carried out in the SPECIFIED CURRENCY and subject to applicable fiscal and other regulations and provisions.
- 9.6 If the INTEREST PAYMENT DATE or the REDEMPTION DAY or rather the EARLY REDEMPTION DAY falls on a day that is not a BANK WORKING DAY, the DEBENTURE BOND HOLDERS are not entitled to payment until the immediately subsequent BANK WORKING DAY. The DEBENTURE BOND HOLDERS are not entitled to request further interest or other payments due to this postponement.
- 9.7 To clarify: there will be no interest payment on the amounts to be paid under the DEBENTURE BONDS between the INTEREST PAYMENT DATE, the MATURITY DATE or the EARLY REDEMPTION DAY and the actual receipt of the relevant payment.

10 NO SUBMISSION OF AN APPLICATION FOR INSOLVENCY

- 10.1 The DEBENTURE BOND HOLDERS must agree not to file for any dissolution of the ISSUER or the COMPANY, nor to initiate any insolvency proceedings on the assets of the ISSUER or the COMPANY or any similar proceedings for the settlement of the ISSUER or the COMPANY or their assets, nor to join any such claim by a third party, with the exception of the enforcement of claims in the event of liquidation proceedings filed by another person and steps to obtain a statement or decision regarding the obligations of the ISSUER hereto.
- 10.2 If a DEBENTURE BOND HOLDERS files for the dissolution of the ISSUER or the COMPANY, initiates insolvency proceedings on the assets of the ISSUER or the COMPANY or any similar proceedings for the settlement of the ISSUER or the COMPANY or their assets, or joins any such claim by a third party contrary to paragraph 10.1, they lose all rights specified in paragraph 1.2.

11 COMPARTMENT ASSETS

- 11.1 The ISSUER will use the net proceeds from the issuance of DEBENTURE BONDS for the purpose of replicating the investment and risk profile of the REFERENCE ASSET (e.g. either by investing in the REFERENCE ASSET on the basis of a “synthetic” figure (e.g. in the form of a total return swap)) (the “**COMPARTMENT ASSETS**”). The ISSUER is not required to directly invest the issuance proceeds into the REFERENCE ASSET.
- 11.2 The COMPANY undertakes not to enter into any other obligations in connection with 4585 (Compartment 2021/01) and in particular with regard to the COMPARTMENT ASSETS held in this compartment other than those arising from or in connection with the direct or indirect representation of the REFERENCE ASSET’S investment and risk profile.
- 11.3 The COMPANY undertakes to limit obligations that are not related to 4585 (Compartment 2021/01) to other compartments or the COMPANY’S parent company and to include limitation clauses that essentially correspond to the provisions in paragraphs 10 and 12 in all future contracts on the obligations of 4585 (Compartment 2021/01). 4585 (Compartment 2021/01) is not liable for the COMPANY’S other compartments.

12 LIMITED RECOURSE

- 12.1 All claims that the DEBENTURE BOND HOLDERS may assert against the ISSUER are limited to the proceeds from the liquidation of COMPARTMENT ASSETS. The settlement of the DEBENTURE BOND HOLDERS’ claims is carried out on a pro rata basis in the NOMINAL AMOUNT of DEBENTURE BONDS held by the relevant DEBENTURE BOND HOLDERS based on the total NOMINAL AMOUNT of any outstanding DEBENTURE BONDS. The ISSUER is not required to make any payments in addition to the distribution of the proceeds from the liquidation of COMPARTMENT ASSETS. DEBENTURE BOND HOLDERS may not make any claims to the issue or delivery of COMPARTMENT ASSETS. In the event that the COMPARTMENT ASSETS are inadequate to cover the ultimate complete settlement of claims by DEBENTURE BOND HOLDERS, the ISSUER is not required to pay any shortfall and DEBENTURE BOND HOLDERS may not assert any further claims against the ISSUER. The COMPARTMENT ASSETS and the

proceeds from their liquidation are considered “not ultimately adequate” if no further COMPARTMENT ASSETS are available at this time and no further proceeds can be realised for the settlement of outstanding claims by DEBENTURE BOND HOLDERS. In this case, the right to complete redemption does not apply. DEBENTURE BOND HOLDERS do not have access to other COMPANY accounts or assets.

12.2 The ISSUER’S payment obligations resulting from or in connection with these TERMS OF ISSUE are always subject to the condition that the ISSUER has actually received a corresponding payment from the liquidation of the COMPARTMENT ASSETS in good time before the deadline for each claim for payment. If the ISSUER has not actually received such a payment in full (be it because of a tax deduction or any other reason), DEBENTURE BOND HOLDERS may only make a claim for payment amounting to the proportion of their DEBENTURE BONDS to all amounts actually paid to the ISSUER from the liquidation of the COMPARTMENT ASSETS. Furthermore, DEBENTURE BOND HOLDERS are not entitled to make claims in these cases, particularly not with regard to any assets of other COMPANY compartments.

12.3 DEBENTURE BOND HOLDERS are not entitled to make any direct legal claims whatsoever against the ISSUER or recipients of COMPARTMENT ASSETS.

13.1 ISP Securities Ltd based in Zurich, assumes the function of PAYING AGENT. The ISSUER is entitled at any time to replace the PAYING AGENT with another bank or financial institution with similar creditworthiness whose main branch or subsidiary is located in the Grand Duchy of Luxembourg or the Federal Republic of Germany (an “INSTITUTION”), to authorise one or more additional PAYING AGENTS and to revoke their authorisation at any time. Replacements, authorisations and revocations must be announced immediately in accordance with paragraph 14. The PAYING AGENT may resign as PAYING AGENT at any time. Resignations and authorisations must be announced immediately.

13.3 The PAYING AGENT and THE ADMINISTRATION AND ACCOUNTING AGENT exclusively act as vicarious agents of the ISSUER and are in no way accountable to the DEBENTURE BOND BEARERS. The PAYING AGENT and the ADMINISTRATION AND ACCOUNTING AGENT are exempted from the self-contracting restrictions and the prohibition of self-dealing.

13.4 Neither the ISSUER nor the PAYING AGENT are required to verify the authorisation of the party presenting the DEBENTURE BONDS.

14 ANNOUNCEMENTS

Where permitted, the ISSUER will provide announcements in accordance with the requirements of the laws in effect in Luxembourg through a notice to the CLEARING HOUSE to be forwarded to DEBENTURE BOND HOLDERS or provided directly to DEBENTURE BOND HOLDERS. Announcements via the CLEARING HOUSE are valid on the third day after notice is given to the CLEARING HOUSE; direct notifications are deemed effective upon their receipt.

15 INCREASES; REPURCHASES

- 15.1 The ISSUER is entitled to issue further Debenture Bonds with the same conditions at any time, which may be combined with the DEBENTURE BONDS, form a single issue with them and increase their number. In the event of such an increase, the term "DEBENTURE BOND" covers all such Debenture Bonds additionally issued.
- 15.2 The ISSUER is entitled, but not obliged, to repurchase DEBENTURE BONDS at any time on the stock market or through over-the-counter transactions at a fair value price. The ISSUER is not required to report this to DEBENTURE BOND HOLDERS. The repurchased DEBENTURE BONDS may be invalidated, held, resold or used by the ISSUER in any other way.

16 TERMINATION OF DEBENTURE BONDS

- 16.1 Neither the ISSUER nor the DEBENTURE BOND HOLDERS are entitled to terminate DEBENTURE BONDS.

- 16.2 The ISSUER is entitled, but not required, to terminate DEBENTURE BONDS in extraordinary circumstances by giving notice pursuant to paragraph 14 and to repay them on the EARLY REDEMPTION DAY designated by the ISSUER to be immediately announced pursuant to paragraph 14 and the following provisions on EARLY REDEMPTION AMOUNTS if the ISSUER determines at its own reasonable discretion that

- (g) a LAW AMENDMENT occurs
- (h) a change is made to the ASSET DOCUMENTS that is expected to have a material adverse effect on the value of the HYPOTHETICAL INVESTOR 's position in the ASSET; or
- (i) in the opinion of the ADMINISTRATION AND ACCOUNTING AGENT, an adjustment pursuant to paragraph 8 of the TERMS OF ISSUE is not possible or economically appropriate,

and this occurrence has an economically detrimental effect on the DEBENTURE BONDS in the reasonable estimation of the ADMINISTRATION AND ACCOUNTING AGENT.

- 16.3 The DEBENTURE BOND HOLDERS are entitled to extraordinarily terminate DEBENTURE BONDS at any time for good cause via registered letter to the ISSUER, recognized by the relevant case law. Pursuant to the preceding sentence, the notice of termination must include adequate documentation of

ownership of the DEBENTURE BONDS by the relevant DEBENTURE BOND HOLDERS, such as a current deposit statement. Termination comes into effect upon the receipt of the notice of termination by the ISSUER. In such a case, redemption of DEBENTURE BONDS is carried out on the EARLY REDEMPTION DATE and equal to the EARLY REDEMPTION AMOUNT. In particular, good cause for extraordinary termination by the DEBENTURE BOND HOLDERS includes:
